

The background of the slide is an abstract digital landscape. It features a grid of glowing lines in various colors (blue, green, yellow, red) that create a sense of depth and movement. The lines intersect to form a complex pattern of squares and rectangles, reminiscent of a circuit board or a data network. The overall color palette is dominated by cool blues and greens, with warmer yellows and oranges providing highlights.

Panel - The Mobile Revolution Key Challenges and Opportunities

Panel Members

- Tim Droz - Vice President - SoftKinetic
- Graeme Finlayson - SVP OEM Business Development - Metaio
- Don MacAskill - CEO and Chief Geek - SmugMug
- Jim Steel - VP of Engineering - Sensor Platforms
